The roles and responsibilities are reviewed on an annual basis by the Resources committee at their Autumn term meeting.

The Headteacher and finance staff who have more specific roles and responsibilities are included in their Job descriptions.

Annual Review of Membership of the Finance Committee

The Annual Review of Committee Membership takes place during the Autumn term Governing Body Meeting each year.

- **Annual Review of Financial Delegated Authority**

The Annual Review of Financial Delegated Authority takes place annually in the Summer Term at the Resources Committee meeting, in preparation for submission to the Local Authority by 31 May. It is kept in the school office.

- **Format and Frequency of Reports for the Governing Body**

The Headteacher/Bursar provides a termly/monthly report to the Governing Body, which includes all aspects of the schools' finances. The reports are included in Section 3 Budget Monitoring.

- **Procedure for the taking of minutes**

The School buys back to the Local Authority Governing Body Service for its Governing Body meetings. A member of the Governing Body Service team attends each Governing Body meeting the service includes: -

- Advice about its powers, duties and responsibilities as defined in legislation and guidance.
- Pre-meeting preparation including working with the Headteacher and chairperson before governing body meetings to prepare a purposeful agenda which considers Department for Education and local authority (and diocesan) issues and is focused on school improvement
- The preparation and dispatch (either electronically or in hard copy) of the letter of invitation, agenda, previous committee and full governing body minutes, local authority correspondence items and the local authority termly briefing booklet to every governor for each termly meeting

- Attendance at, and the minuting of, the statutory termly governing body meetings (and committee meetings where purchased) throughout the year
- Recording all decisions accurately and objectively with timescales for any agreed action
- Sending draft minutes to the chair and Headteacher for amendment and approval by the chair
- Providing the school with a signed copy (to be archived by the school) and published copy of the minutes
- Maintaining copies of current terms of reference and membership of committee and working parties and nominated governors

- Maintaining governor meeting attendance records and advising the governing body of non-attendance of governors
- Advising that a register of governing body pecuniary interests is maintained, reviewed annually and lodged within the school
- Where the governing body is failing to comply with statutory legislation, regulations and local authority advice, the clerk will bring this to the relevant local authority officer
- Draft minutes will be produced and sent to the Headteacher and Chair within 15 school days of the meeting

For all other sub-committee meetings (Teaching and Learning, Safeguarding, Health and Safety, Resources and any other meeting deemed necessary) the Bursar takes the minutes. In their absence the Admin Manager will minute. Minutes should include all decisions and by whom action is to be taken. Minutes are filed on the Governor Hub. Neither the Headteacher nor Chair of Governors is permitted to take the minutes.

All Governors, the Headteacher and all staff members fully complete, sign and date a declaration of business and personal interests form at the start of the new academic year.

A copy of the Register is included in **Appendix 3**.

2 Financial Planning

- **Responsibility and preparation of School Improvement Plan (SIP)**

The Headteacher and the *School Business Manager/Bursar/Finance Officer* prepare the SIP in the Summer Term. Staffing allocations are determined and allocations to non-curriculum areas i.e. cleaning, energy, grounds maintenance, buildings maintenance, are calculated using a combination of known costs via Service Level Agreements (SLA's) and knowledge gained from budget monitoring.

The Headteacher will allocate a budget to each subject and/or the subject leaders will be given a budget based on previous years spend and current years activities/authorised requests.

The costs of provisions outlined in the SIP should be included in the plan and refer to the budget, so that it is clear that all costs are accounted for.

- **Timetable and process of the School Improvement Plan**

The SIP is reviewed on a *monthly/termly basis*. It is the responsibility of the Headteacher/Deputy Headteacher to update the SIP.

It is reviewed by the SLT and presented to Governors at the termly meetings.

- **Submission of VAT return**

On the first working day of the month the VAT submittal report is printed from SIMS FMS and signed by the Headteacher. The reports are then submitted to Schools Finance along with the monthly bank reconciliation. VAT reimbursements are received via a BACS payment from the Local Authority which are then entered onto SIMS FMS system as a 'VAT Reimbursement'.

A copy of the audited accounts is provided to Schools Finance as part of the year-end information pack.

- **Procedure for Income and Expenditure**

The Headteacher ensures that the same standard of financial accounting which applies to income and expenditure for the school's delegated budget is applied to the voluntary funds. Any income which relates only to the school's delegated budget should not be credited to any voluntary fund. Receipts should always be issued for donations or income for voluntary funds.

The School Fund is administered by the Bursar and income is recorded by using an excel spreadsheet and a written record.

Expenditure is recorded by the Bursar.

All requests for purchases or donations must be approved by the Headteacher first.

The School Fund is not eligible to reclaim VAT on expenditure however; the School Fund may make a purchase through the School budget by issuing an official order for the goods and reimbursing the School budget for the cost net of VAT.

The income via the online system (ParentPay) is recorded via ParentPay. Reports are printed via ParentPay and tallied against the income on the school bank statement. The income from ParentPay is then recorded on the FMSIS system and split against the necessary cost codes.

- **Banking of Funds**

Any income for voluntary funds is paid into the relevant bank account at least weekly. Regular reconciliations between the accounting records and the bank statement are undertaken by the Bursar and independently reviewed by the Auditor.
